At FAN, we believe public access to key data is vital to the success of our organization.

Our numbers tell where we've been, where we are, and where we are going. We believe in transparency, and the best way to tell you (our community) what we're doing is to post our statistics and lifesaving percentage on our website. You will be better able to make the decision to support us and to become champions, volunteers, fosters, donors and/or adopters.

Each adoption, donation (and other interaction with you) brings us closer to fulfilling our mission. FAN is saving the lives of homeless, unwanted, sick, and injured cats by working with our community, i.e., networking (*it's in our name!*), to provide feline expertise and life-saving programs and services for people and cats.

Our goal is to have a positive impact – over time – on cat homelessness and overpopulation.
